# Valentine's Getaway Ideas for 2025

From stargazing igloos in Iceland to treehouses in the African wild, these romantic escapes make for the perfect Valentine's getaway...

Valentine's Day is on the horizon, and if you're looking to sweep your other half off their feet, we've rounded up the most swoon-worthy escapes across the globe. Think candlelit dinners with ocean views, cosy evenings under the stars, and sumptuous suites that make leaving the room optional.

## Andronis Luxury Suites, Santorini

Carved into the cliffs of Oia, each suite at Andronis offers a private infinity pool or hot tub with sweeping views of the caldera.

The hotel's spa, with treatments inspired by the island's volcanic elements, adds an extra touch of relaxation. It's impossible not to feel like royalty when you're sipping champagne in a private pool with views like these. The perfect Valentine's getaway!
